ವಿಧಾನ ಮಂಡಲದ ಉಭಯ ಸದನಗಳ ಸದಸ್ಯರುಗಳನ್ನುದ್ದೇಶಿಸಿ ರಾಜ್ಯಪಾಲರು ಮಾಡಿದ ಭಾಷಣದ ಅಧಿಕೃತ ವರದಿ.

ಸೋಮವಾರ, ದಿನಾಂಕ 19ನೇ ಫೆಬ್ರವರಿ 1996.

ಕರ್ನಾಟಕ ವಿಧಾನ ಸಭೆ ಹಾಗೂ ವಿಧಾನ ಪರಿಷತ್ತಿನ
ಸಂಯುಕ್ತಾಧೀವೇಶನವನ್ನು ಉದ್ದೇಶಿಸಿ ವಿಧಾನ ಸಭೆಯ ಸಭಾಂಗಣದಲ್ಲಿ
ಮಧ್ಯಹ್ನ 3.00 ಗಂಟೆಗೆ ಮಾಡಿದ ಭಾಷಣ.

ಮಾನ್ಯ ರಾಜ್ಯಪಾಲರು ಮಧ್ಯಾಹ್ನ 2.55 ಗಂಟೆಗೆ ವಿಧಾನಸೌಧದ ಮುಖ್ಯದ್ವಾರದ ಬಳಿ ಇರುವ ದ್ವಾರಮಂಟಪಕ್ಕೆ ಆಗಮಿಸಿದರು. ರಾಜ್ಯಪಾಲರು ತಮ್ಮ ಕಾರಿನಿಂದ ಇಳಿದ ಬಳಿಕ ಅವರನ್ನು ಮಾನ್ಯ ಅಧ್ಯಕ್ಷರು, ಮಾನ್ಯ ಸಭಾಪತಿಯವರು ಮತ್ತು ವಿಧಾನ ಮಂಡಲದ ಕಾರ್ಯದರ್ಶಿಯವರು ಸ್ವಾಗತಿಸಿದರು. ನಂತರ ಪೂರ್ವ ಭಾಗದಲ್ಲಿರುವ ಲಿಫ್ಟಿಗೆ ರಾಜ್ಯಪಾಲರನ್ನು ಕರೆದೊಯ್ಯಲಾಯಿತು. ಮೊದಲನೆಯ ಮಹಡಿಯಲ್ಲಿ ಲಿಫ್ಟ್‌ನಿಂದ ಹೊರ ಬಂದ ಬಳಿಕ ಈ ಕೆಳಕಂಡ ಕ್ರಮದಲ್ಲಿ ಮೆರವಣಿಗೆಯನ್ನು ರೂಪಿಸಲಾಯಿತು.

ಕಾರ್ಯದರ್ಶಿಯವರು

ಮಾನ್ಯ ಅಧ್ಯಕ್ಷರು ಮಾನ್ಯ ಸಭಾಪತಿವರು

ರಾಜ್ಯಪಾಲರು
ಎ.ಡಿ.ಸಿ.

ಈ ರೀತಿಯ ಮೆರವಣಿಗೆಯು ವಿಧಾನ ಸಭಾ ಸದನದ ಕಡೆಗೆ ಹೊರಟಿತು. ಸಭಾ ಸದನದ ದ್ವಾರದ ಬಳಿ ಮೆರವಣಿಗೆ ಬಂದ ಕೂಡಲೆ, ರಾಜ್ಯ ಪಾಲರ ಆಗಮನವನ್ನು ಮಾರ್ಷಲ್‌ರವರು ಸಭೆಗೆ ತಿಳಿಸಿದರು. ಮತ್ತು ರಾಷ್ಟ್ರಗೀತೆಯನ್ನು ನುಡಿಸಲಾಯಿತು. ರಾಜ್ಯಪಾಲರು ಸದನವನ್ನು ಪ್ರವೇಶಿಸಿ ವೇದಿಕೆಯ ಮೇಲೆ ಕುಳಿತುಕೊಳ್ಳುವ ತನಕ ಮಾನ್ಯ ಸದಸ್ಯರುಗಳು ಎದ್ದು ನಿಂತು ಕೊಂಡಿದ್ದರು.

ಸಭಾಸದನದ ವೇದಿಕೆಯ ಮುಂದೆ ಬಂದ ಬಳಿಕ ಮೆರವಣಿಗೆ ಇಬ್ಭಾಗವಾಯಿತು. ವೇದಿಕೆಯ ಮೇಲೆ ಮಾನ್ಯ ಸಭಾಪತಿಯವರು ರಾಜ್ಯ ಪಾಲರ ಎಡಭಾಗದಲ್ಲಿಯೂ ಮಾನ್ಯ ಅಧ್ಯಕ್ಷರು ಬಲಭಾಗದಲ್ಲಿಯೂ ಕುಳಿತುಕೊಂಡರು. ರಾಜ್ಯ ಪಾಲರು ವೇದಿಕೆಯ ಮಧ್ಯಭಾಗದ ಆಸನದಲ್ಲಿ ಕುಳಿತುಕೊಂಡರು. ಕಾರ್ಯದರ್ಶಿಯವರು ವೇದಿಕೆಯ ಮುಂದುಗಡೆ ಇರುವ ಆಸನದಲ್ಲಿ ಕುಳಿತು ಕೊಂಡರು.

ರಾಜ್ಯಪಾಲರ ಭಾಷಣ

ಸನ್ಮಾನ್ಯ ರಾಜ್ಯಪಾಲರು : ಸನ್ಮಾನ್ಯ ಸಭಾಪತಿಗಳಿಗೆ, ಸನ್ಮಾನ್ಯ ಸಭಾಧ್ಯಕ್ಷರೆ, ಮತ್ತು ಸನ್ಮಾನ್ಯ ಸದಸ್ಯರೆ,

(At this stage hon mamber sri Vatal Nagaraj startes to read his own speech)

1. It is with great pleasure that I welocome you to this joint Sessoin of the State Legislature. As this is the first Session in the Current year. I offer to you and through you to the people of Karnataka. my good wishes for the New Year. I would also like to take this opportunity to congratulate

my Government on its successful completion on one year in office. The thrust during this period has been on consolidation along with structured change. We have tried to tone up the administration and gear up the machinery for redressal of public grievances. The Janatha Darshan Programmes organised in the districts took the Government virtually to the door-steps of the people and evoked a very good response. I am glad to mention that the griecances and other representations of the people are being clsely monitored by the Public Grievance Organisation, which has now been brought under the direct control of the Chief Minister.

2. In its first year of Office, my Government has also responded to the challenges in the social and economic sphere by fashioning new and innovative policies and programmes for the all-round betterment of the people of Karnataka. In doing so, we have attempted to make full use of all the opportunities thrown up by the new national policy of economic liberalisation, in selected areas, for the benefit of our people. A favourable investment climate has been created which is expected to provide improved infrastructure for economic development and generate substantial employment opportunities within the State.

(ಈ ಹಂತದಲ್ಲಿ ಮಾನ್ಯ ಬಿ.ಐ. ಪಾಟೀಲರ ನೇತೃತ್ವದಲ್ಲಿ ಮಹಾರಾಷ್ಟ್ರ ಏಕೀಕರಣ ಸಮಿತಿಯ ಸದಸ್ಯರು ಘೋಷಣೆ ಕೂಗುತ್ತಾ ಸಭಾತ್ಯಾಗ ಮಾಡಿದರು)

3. The spitr of consultation , conciliation dialogue and discussion has been the hallmark of my Government's approach to the resolution of law and order problems. you are aware that by adopting this approach a permanent solution was found to a very sensitive problem concernining the disputed Idga Maidan at Hubli, which used to give rise to periodic out-breaks of violence. The same spirit of conciliation and consensus tempered with firmness has helped to defuse tensions in respect of other explosive situations which arose from time to time.

4. It is a matter of pride for us also that as in the case of the elections to Zilla Panchayats and Panchayat Samithis last March, my Government has conducted the municipal elections throughout the Sate of Karnataka, except for Dakshina Kannada and Bangalore City, in a smooth and congenial atmosphere, last month, Besides taking a firm stance in maintaining law and order in all cases, my Government is committed to protecting in particular, the interests of women, weaker sections and minorities in the State.

5. My Government has formulated a new and innovative agricultural policy ensure comprehensive and integrated development of the agriculture sector and bring prosperity to the farming community. This is being implemented with utmost earnestness and a Cabinet Sub-Committee has been entrusted with the responsibility of overseeing and ensuring its timely and effective implementation.

6. My Government intends to provide a sharper focus to the development of rainfed agriculture on a watershed basis. With this in view, we shall be launching a special watershed development programme each revenue division of the State. This will be in addition to the new watershed development programme funded by the Swiss Government, which has already been taken up in five other districts. It shall also be our endeavour to set up a national-level institure for watershed management in the State.

7. We are proposing to set up two hi-tech agricultural parks in the State to encourage adoption of modern technology in agriculture and horticulture. Krishi Prashasti will be extended to cover farmers growing horticultural crops as well so as to recognise the contribution made by outstanding horticulturists in Karnataka.

8. Credit is a very important component of the agricultural production programme of the State. Members are aware that as a reaction to the interest waiver schemem announced by the Government, Nabard stopped re-finance facilities to our co-operative bankas from 1-1-1995. However, I am happy to record that the issue has since been resolved leading to the restoration of the requisite credit flows from Nabard.

(ಈ ಹಂತದಲ್ಲಿ ಮಾನ್ಯ ಸದಸ್ಯರಾದ ಶ್ರೀ ವಾಟಾಳ್ ನಾಗರಾಜ್‌ರವರು ಕಪ್ಪು ಬಟ್ಟೆ ಪ್ರದರ್ಶನ ಮಾಡುತ್ತಾ ಸಭಾತ್ಯಾಗ ಮಾಡಿದರು).

9. My Government is making all-out efforts to implement the Upper Krishna Project by 2000 A.D, So as to fully protect the interests of Karnataka in this inter State river. Funds required for the project are being mobilized mainly through the Krishna Bhagya Jala Nigam. The Jala Nigam has already succeeded in raising Rs. 180 crores by private placement. A second tranche of funds amounting to Rs. 250 crores is proposed to be raised by the Nigam very shortly through a public issue. To accelerate the process of rehabilitation and re-settlement, a senior officer has been posted at Bagalkot as Commissioner and delegated with the powers of the Revenue Secretary.

10. In the matter of Couvery water dispute, I am happy to inform the Members that a major break through has been achieved due to the sustatined efforts of my Government and the united stand taken by political parties of the

State on the basic issues involved. For the first time in the history of inter-State water disputes, the limitations involved in adopting a purely juridical approach to solving such problems has been recognised. The Supreme Court requested the Prime Minster of India to mediate in the matter, after consulting both the State Governments and assessing the ground realities. The Prime Minister, in turn, after perusing all the materials painstakingly collected and placed before him by my Government, directed release of 6 T.M.C. of water by Karnataka. As Members know, this was duly complied with by my Government in deference to the wishes of the Prime Minister and in consonance with an unanimous resolution passed at an all party meeting of the State Legislators. At the urging of Karnataka Government, Prime Minister also deputed an Expert Team to make a thorough assessment of the needs and requirements of farmers of both the States, in the contest of the overall shortfall of surface flows in the Cauvery basin in the current year. The report of the Expert Team has not yet been made available to my Government.

11. Karnataka's stand that such disputes should be sorted out through the issue of guidelines on the sharing of inter-State river waters was also vindicated when the Prime Minister, in response to a strong plea made by my Government, convened the long over-due meeting of the National Water Resources Council earlier this month, to discuss the draft guidelines prepared by the Central Water Authority on this issue. Although a complete consensus on the points in dispute could not be achieved at this meeting, it is significant to note that, for the first time, Karnataka was able to place a detailed set of recommendations before that august body, on the principles which should govern the blanced and equitable aportionment of river water between riparian States, which were prepared on the basis of the unanimous resolution passed at a meeting of legislators representing all political parties and technical experts.

12. Generation of power, which is one of the basic requirements of development, received a setback in the year 1995-96 dute to inadequate rainfall in catchment areas of the hydro-reservoirs of the State. As hydel power contruibutes 78% of the total energy generated within the State, my Government was constrained to impose power cuts on various categories of consumers in order to conserve energy availability and ensure equitable distribution till the onset of next monsoon.

13. My Government has been able to mitigate the power shortage somewhat by securing a 10% increase in the allotment being made to the State from the unallocated share of power emenating from central generating stations in the Southern Grid. The State has also been receiving 140 million units of energy * from August till date from Maharashtra to tide over the crisis. A novel arrangement for exchange of waterfor hydel-power has been worked out with Maharashtra by which 210 million units of additional energy will be given to Karnataka in exchange for 7.5 TMC of water which is the joint share of Karnataka and Andhra Pradesh at Koyna. My Government wishes to acknowledge this gesture of good will on the part of our neighbouring State Governments. In addition, our Government Company, Karnataka Power Corporation, has stepped up generation at Raichur Thermal Power Station to a considerable degree.

14. As a long-term measure, Government has decided to establish power plants in various locations in the State, with a total installed capacity of 6910 MW, through private sector agencies. This includes the 1000 MW power plant to be set up by Mangalore Power Company (Cogentrix) near Mangalore.

15. As a short term measure, bids have been invited for setting up a capacity of 400 MW through barge-mounted power stations located on the Karnataka cost, which are expected to be commissioned in 1995 itself. Bids have also been obtained for setting up small multi-fuel power plants at 20 different load centres in the State with a minimum capacity of 20 MW each, all of which are expected to be commissioned within 15 months. The Government has also given approval to KPCL to take up the V and VI units of Raichur Thermal Power Plant, with a capacity of 420 MW and also to set up a 300 MW combined cycle power plant at Bidadi.

16. A major step for ward in promoting the rapid growth in infrastructure as well as high-tech economic activities such as floriculture, has already been taken by amending the Land Reforms Act to facilitate private purchases of agricultural land. within certain ceiling limits, subject to the prior approval of Government. The rules being worked out, to regulate such private purchases of agricultural land, will provide adequate safeguards to protect the interests of the farmers and prevent possible misuse by others.

17. Members will be happy to know that the loan negotiations for the IV Stage Cauvery Water Supply Scheme to the Bangalore City have been

---

Corrected as ordered by the chair on the request of the Hon'ble Chief Minister in the House on 2.3.96

successfully completed with OECF, Japan, and that this Rs. 1070 Crore scheme is expected to take off shortly.

18. My Government has noted with concern the continuing problem of cost and time over runs in the implementation of the urban water supply schemes outside Bangalore. An in-depth look is being taken at the project financing pattern of these water supply schemes with a view to bringing the same on par with the financial package evolved for water supply schemes for Bangalore City. A rationalised minimum rate structure which would generate sufficient resources for municipalities to cover the cost of running these water supply schemes and meeting their debt obligations, is also uder consideration.

19. The development of a modern, intergrated road network is crucial to optimum economic growth A wide range of such communication facilities is therefore beeing planned and implemented, using public funds as well as private investment resources and foreign loan assistance. To begin with, a scheme has been drawn up to provide 50 KM of all weather village roads, in each and every Assembly constituency, by tapping the financial resources of the local agricultural market committees. It is proposed to raise the prescribed market fees from 1% to 2% for the purpse. For the rest, a scheme for development of a network of rural roads with the loan assistance from the World Bank is under preparation.

20. My Government has taken a decision to up grade State highways by encouraging private sector participation. A link road near Bangalore to connect tow major national highways has also been taken up in order to decongest the traffic in the State capital.

21. The Formulation of a new industrial policy for the State is on the anvil. The thrust will be on providing sound infrastructural facilities, employment generation, creating facilities for research and development, and giving special incentives to women entrepreneurs and technocrats as well as village and tiny sector industries, My Government is equally keen to take due care of the interests of labour while going ahead with the promotion of industries in the State.

22. A comprehensive scheme for rehabilitation of sick small-scale industrial units is being worked out, with a package of reliefs and concessions taht would help meet a long-felt need in this important sector of industrial activity.

23. My Government is sensitive to the ecological issues involved in industrial development, particularly in the coastal region of the State. I am happy to state that the DANIDA - assisted Environmental Master Plan Study

for Dakshin Kannada District has been completed and its recommendations are under active consideration. Containment of environmnetal damage due to mining and quarrying in the ecologically - sensitive areas, conducting botanical as well as biological surveys in the western ghats and establishment of eco-parks, will be our other main thrust areas in the sphere of environment and ecology.

24. In the sphere of health carem our main focus hitherto has been on primary level hospitals. To restore the balance, a massive programme is now being launched to revamp, upgrade, modernise and expend all the health facilities in the State at the secondary level, covering taluka and distrct hospitals, inclusung a large number of teachning hospitals. The programme will benefit nearly 250 hospital in all the districts of the State. Under specific agreements which have just been concluded, World Bank will be providing financial assistance to the tune of Rs. 550 crores and a German agency will be adding an outright grant of about Rs. 80 crores for the project.

25. In the field of primary education, our goals continue to be those of universal access, universal retention and universal achievement. 9350 primary school teachers have already been recruited during the last one year, Impressed by our achievement under the District Primary Education Programme, the Government of India has agreed to extend the programme to cover five more districts in the State in 1996-97. Members will be happy to know that this will infuse additional funds amounting to Rs. 200 Crores during the project period.

26. On the lines of the Morarji Desai Residential Schools, my Government has sanctioned five residential schools exclusively for the benefit of the students of Muslim minority community in the State. These Urdu medium residential schools will be run by reputed Muslim minorit institutions in the educational field.

27. To provide widespread access to learning for working men and women and those who are unable to pursue their educational goals through the formal academic system, an Open University will be started at Mysore from the next academic year.

28. The housing needs of the poor are a matter of great concern for my Government. An official survey which was conducted last summer has revealed that there is immediate need to provide shelter by way of houses and residential sites for about 19 lakh families in the State.

29. My Government intends to provide shelter to all thees identified families in the course of the next 5 years, in a phased manner. With this in view,

a separate Department of Housing has been set up in the State Secretariat. The new Housing Department has in turn drawn up an action plan for distribution of 1,75,000 sites in the rural areas and 78,500 sites in the urban areas. The action plan also envisages the construction of about 1,20,000 houses under the Ashraya, Ambedkar and Indira Avas Housing Programmes. To achieve the goal of Providing one house to every houseless family in the State, a Policy encouraging provate investment in large-scale housing projects has also been finalised.

30. Our deep sense of commitment to the epochmaking system of democratic decentralisation in the State is well-known. In keeping with the promise made on the last occasion, the Karnataka Panchayati Raj Act, 1993, has already been amended to vest executive powers in the elected head of the Zilla Panchayat, Furthere amendments to the Act will be introduces after considering the recommendations of the Expert Committee constituted for the purpose, whose report is expected shortly.

31. My Governmenvt is implementig various schemes to improve the quality of life if the rural folk through the all-round development of the rural areas. The year a massive programme on rural enviromental sanitation, called "Nirmala Grama Yojana", was launched on Gandhi Jayanthi, It envisages the construction of 100 house hold sanitary latrines per Grama Panchayat. The Initial response to this programme has been very encouraging and about 75,000 households have already been provided with sanitary latrines during the last four months, My Governmenvt is determined to cover at least 30 percent of rural of the century.

32. Certain parts of our State have started facing acute drought conditions from the beginning of this calendar year leading to scarcity of drinking water in villages and smaller towns. My Government will leave no stone unturned in order to help tide over this problem in the next few months.

33. As part of its efforts to create more employment opportunities for youth in the rural areas, my Government has decided to provide adequate representation for them in Government service by increasing the existing weightage in recruitment for candidates studying in village schools. Steps have already been taken to amend the General Recruitment Rules for the purpose.

34. My Government has fulfilled its promise of supplying 10 Kgs of rice at a subsidised rate to all green card holders in rurlal areas with effect from

1.4.1995. This scheme has since been extended to cover about 5 lakh families belonging to the urban poor.

35. My Govenmenvt stands wholly committed to the walfare of Scheduled Castes and Tribes. backward classes and minorities. The thrust areas have been identifed as educations, housing and irrigation requirements. Accordingly, one hundred and fiftynine hostels for SCs and STs and seventyfive hostels for BSc and minorities have been started in the corrent fincancial year. About 80 thousand houses are under construction for SCs/STs in the ruralk areas, Similarly. about 25 thousand acres of land belonging to these communities are expected to be irrigated under the Ganga Kalyana Scheme.

36. Increasing the particpation of women, in the process of both decision-marking and implementation of various programmes of the Govemment, is of prime concern to us. In addition to providing reservations in membership and elected offices in the local bodies, my Government jobs for women, for which the relevant recruitmenvt rules are being amended. Government has also earmarked one-third of the resources in all beneficiary-oriented programmes for women. I am proud to mention that the Karnataka Mahil Abhivrudhi Yojana, as it is known, has become such a trend-setter that the Govemment of India has asked all State Governments to follow our example.

37. My Government feels that greater efficiency and transparancy in the working of the Stamps and Registration department is a must, both for preventing undue loss of revenue nd exploitation of the public. With this in view, guidance values for sites and properties in each unit area are being worked out. Arrangements are also being made to deliver registration documents within 8 days.

38. A single, comrehensive Endowments Act, applicable to all religious and charitable institutions throughout the State, is being brought before the Legislature shortly. Proposals for improving the service conditions of Archaks and Moulvis working in Muzrai and Wakf Institutions respectively, are also under consideration.

39. As Members ara aware, Karnataka is a veritable treasure-trove for tourists. To take care of the expected boom in the number of tourists, in the years to come, it is proposed to abopt a pro-active policy and provide special incerntives to the private sector to fill up the gaps in the tourist infrastructure. My Government also proposes to bring in a special Bill before the Legislature for regulating tourist activity in the State.

40. Members are aware of the vast reach and potential of Cinema as an art form, an industry a means of mass entertainment and also an effective

instrument of social change. With a view to developing Kannada Cinema in all these respects, my Government proposes to establish a "Kannada Chalan Chitra Academy".

41. I am happy to inform the members that the trusts constituted by my Government in the name of renowned Kannada literators viz., Rashtrakavi Kuvempu, Dr, Da.Ra. Bendre and Dr. Pu.Thi. Narasimhachar, respectively,. have started functioning. with a view to desseminating the invaluable contributions made by these eminent personalities in the field of languiage and literature, My Government will assist these trusts in publishing their wroks.

42. My Government is seriously considering the desirability of re-introducing prohibition in the State, Keeping in view the Provisions of Article 47 of the Directive Principles of State Pilicy in our Constitution.

43. In my address I have touched upon some important areas of concern as well as the main policies and programmes that my Government will be implementing in the course of the year. As all-round economic development with social-justice is my Government's motto, a large number of other plans and schemes to further these objectives are on our agenda and will be announced in due course.

44. Let me conclude my address by wishing Members of both the Houses present here every success in their deliberations.

Jai Hind, Jai Karnataka.

ಸನ್ಮಾನ್ಯ ರಾಜ್ಯಪಾಲರು ಮಾಡಿದ ಭಾಷಣ ಕನ್ನಡದ ಭಾಷಾಂತರ

ಮಾನ್ಯ ರಾಜ್ಯಪಾಲರು,

1. ಸನ್ಮಾನ್ಯ ಸಭಾಪತಿಗಳೇ, ಸನ್ಮಾನ್ಯ ಸಭಾಧ್ಯಕ್ಷರೇ ಮತ್ತು ಸನ್ಮಾನ್ಯ ಸದಸ್ಯರೇ, ತಮ್ಮನ್ನೆಲ್ಲಾ ರಾಜ್ಯ ವಿಧಾನಮಂಡಲದ ಈ ಜಂಟಿ ಅಧಿವೇಶನಕ್ಕೆ ಸ್ವಾಗತಿಸಲು ನನಗೆ ಬಹಳ ಸಂತೋಷವಾಗುತ್ತಿದೆ. ಇದು ಈ ವರ್ಷದ ಮೊದಲನೇ ಅಧಿವೇಶನವಾಗಿರುವ ಕಾರಣ, ನಾನು ತಮಗೂ ಮತ್ತು ತಮ್ಮ ಮೂಲಕ ಕರ್ನಾಟಕದ ಜನತೆಗೂ ಹೊಸ ವರ್ಷದ ಹಾರ್ದಿಕ ಶುಭಾಶಯಗಳನ್ನು ಕೋರುತ್ತೇನೆ. ಇದೇ ಸಂದರ್ಭದಲ್ಲಿ ನನ್ನ ಸರ್ಕಾರವು ತನ್ನ ಅಧಿಕಾರಾವಧಿಯ ಒಂದು ವರ್ಷವನ್ನು ಯಶಸ್ವಿಯಾಗಿ ಪೂರ್ಣಗೊಳಿಸಿದ್ದಕ್ಕಾಗಿ ಅಭಿನಂದನೆಗಳನ್ನು ಸಲ್ಲಿಸುತ್ತೇನೆ. ಈ ಒಂದು ವರ್ಷದ ಅವಧಿಯಲ್ಲಿ ರಚನಾತ್ಮಕ ಬದಲಾವಣೆ ಹಾಗೂ ಬಲವರ್ಧನೆಗೆ ಒತ್ತು ನೀಡಲಾಗಿದೆ. ಸಾರ್ವಜನಿಕ ಕುಂದುಕೊರತೆಗಳನ್ನು ನಿವಾರಿಸುವುದಕ್ಕಾಗಿ ಆಡಳಿತ ಯಂತ್ರವನ್ನು ಚುರುಕುಗೊಳಿಸಿ, ಅದನ್ನು ಸೂಕ್ತ ರೀತಿಯಲ್ಲಿ ಸಜ್ಜುಗೊಳಿಸಿದ್ದೇವೆ. ಜಿಲ್ಲೆ ಜಿಲ್ಲೆಗಳಲ್ಲಿ ಜನತಾ ದರ್ಶನ ಕಾರ್ಯಕ್ರಮವನ್ನು ಏರ್ಪಡಿಸುರುವುದರಿಂದ ಸರ್ಕಾರವನ್ನು ಜನರ ಮನೆ ಬಾಗಲಿಗೇ ಕೊಂಡ್ಯೊಯ್ದಂತಾಗಿದೆ
